

# Temporary pop-up pool compliance checklist

In accordance with Swim England guidance.

## Do we comply with the following?

### H&S in Swimming Pools – A Breakdown of HSG179

- COSHH
- Control of Legionella and other infectious agents
- Swimming Pool Management
- Bathing load
- Filtration
- Disinfection
- Chemical testing
- PWTAG Technical Note
- BS EN 15288 – 2 – Safety requirements for Ops.
- BS EN 15288 – 1
- Electrical safety
- Pupil Journey - Toilet - Change - Shower - Pool.\*

*\*Not in the same order as the guidance, the journey is different due to the practicalities of the set up.*

- BS EN 13451 – 1
- BS EN 13451 – 2 – Swimming Pool Equipment – Additional.\*  
*\*Swim:ED is reviewing ways to make the programme more inclusive. While we currently address needs on a case-by-case basis and strive to find solutions, we acknowledge that we're not fully inclusive yet. We're committed to being transparent about this and are actively working to improve.*
- Site Survey
- Pool surrounds
- Temporary Modular Structure (TMS)
- Heating and ventilation
- Life Guarding
- DBS / Qualifications
- Site Security
- Staffing
- PWTAG (TN 65)
- Monthly calibration of testing equipment
